

Funding for innovative SME companies

Vinnova- three roles

FINANCER

NATIONAL EU-NODE

EXPERT AGENCY

GLOBALA MÅLEN
för hållbar utveckling

SUSTAINABLE GROWTH

Create
opportunities for
companies to try
out new ideas with
a **high risk and
high potential**

We finance projects- not companies

YOU ALWAYS APPLY WITH A SPECIFIC IDEA

Grants- not loans

NO STAKE OR EQUITY IN COMPANIES

Innovative Startups

VINNOVA

Innovative Startups

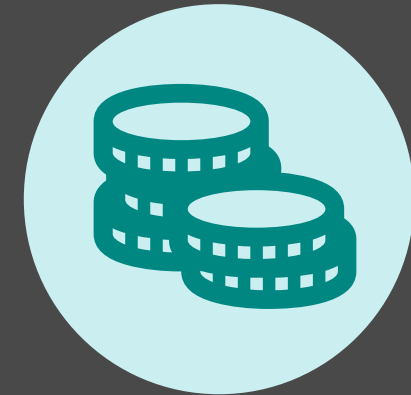

1. WHO CAN APPLY?

Small, start-up companies that are younger than five years, have a turnover lower than SEK 2 million per year and have not distributed profits

2. WHAT CAN YOU APPLY FOR?

Develop prototypes, develop the business model or create strategies to protect the company's new solution

3. HOW MUCH?

Step 1: up to 300 000 SEK

Step 2: up to 900 000 SEK

startups@vinnova.se

VINNOVA

A woman with blonde hair and glasses, wearing a blue sweater, is smiling and looking at a machine. A man with dark hair and a beard, wearing a green shirt, is leaning over the machine, holding a blue cable. They are in a factory or workshop setting with various machines and equipment in the background.

Innovation projects in SME companies (IPF)

VINNOVA

Innovation projects in SME companies (IPF)

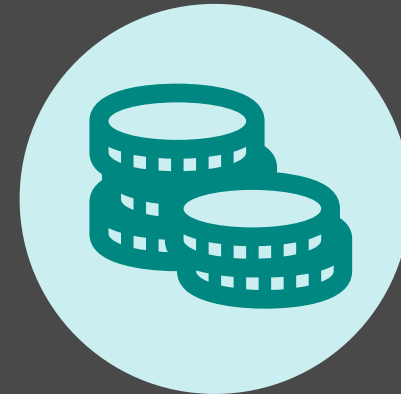

1. WHO CAN APPLY?

2. WHAT CAN YOU APPLY FOR?

Development activities, such as prototype development, demonstration, test and validation of new products, services or processes

3. HOW MUCH?

Up to 2 million SEK or 50 percent av the total eligible costs.

innovationsprojekt@vinnova.se

VINNOVA

What do we look at?

Potential (What?)

- Originality + Competitiveness + Scalability + Sustainability

Achievability (How?)

- Is the project plan realistic

Team (Who?)

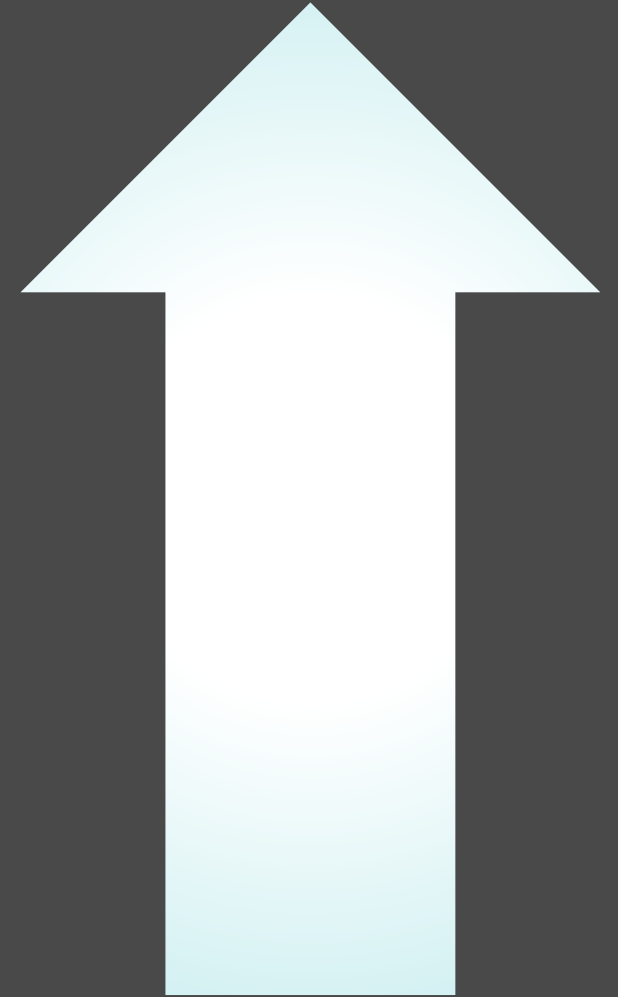

- Competence and experience?

Sustainability (Agenda 2030) and gender equality
